About the BIC

The North East BIC is home to over 140 businesses with over 1000 people working from our site in Sunderland. Businesses span an array of sectors including pharmaceutical, marketing, software, recruitment, wellness and finance, making the BIC a diverse and inspiring place to work.

Designed to stimulate productivity and collaboration, the BIC offers flexible and affordable workspaces ranging from 150 to 3000 sq ft across a 14-acre site.

Location

Perched on the banks of the River Wear in Sunderland, the BIC is just a stone's throw from the A19 and A1231 and is located directly opposite the proposed Crown Works Studios development.

Hylton Riverside Retail Park is just a few minutes away, with supermarkets, shops and a gym all within easy access.

Sunderland is undergoing significant regeneration that is transforming the city, making it an exciting place to do business.
